

Dear students,

just to let you know about your projects and their deadlines....

The presentation of your **flowcharts is still due to the 24<sup>th</sup> April**, so Friday after the holidays.

Should you need **paper** for your texts, pictures etc., you can get this from Monday, 20<sup>th</sup> on. Just come to room 120 and ask.

To avoid a stressful week after Easter, you should **write your texts and prepare your pictures** for the chart on the computer, so that you just have to print them out instead of writing by hand. **Print size** should be no less than **26**. Please focus on **keywords** that explain the different steps of your production and globalisation process.

Also **use your time at home** now to **write your text** on either one of the cartoons or one of the topics given to you. Actually the current problem of the Corona – virus is also a good topic to demonstrate and discuss globalisation. If you want, you can write about this event that has its effect on all of us.

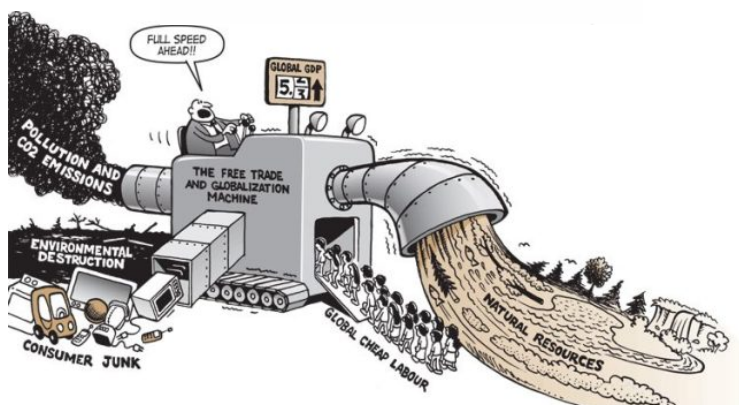

# Writing about globalisation

## Tasks:

1. Decide whether you would like to write about a cartoon or one of the following topics.
2. Do your research on the internet. Find topic vocabulary on: [www.leo.org](http://www.leo.org)
3. Write a text of **about 250 words**. Count the words.
4. Proofread your text before handing in.
5. The text is due to **20<sup>th</sup> May 2020**.

## Criteria for a good text:
